Memo No.:WBSCTVESD/TED/II/2015-16/38

Date: 13.08.2015

To

The Principal/ Officer-in Charge

All Govt. & Govt. Sponsored Polytechnic

Sub: Hand Holding training on e Content of Diploma Subjects(2nd Phase)

Sir,

Pursuant to the decision of the Govt. e-content has been developed for 50 subjects for Diploma in Engineering and Technology by vendor selected through e-tender process. Erstwhile West Bengal State Council of Technical Education (WBSCTE) also signed contract agreement with the selected vendor i.e. M/S Infoplus Technology(P) Limited. As per contract, a hand holding training for the subject teachers will be provided by the vendor.

It is now a pleasure to inform you that training programme for the subject teachers will be held on between 19.08.15 and 25.08.15 at Auditorium and Conference Room , Karigori Bhavan, Plot-B7, Rajarhat, New Town, Action area-III, Kolkata-700160 as per following schedule. You are requested to depute only **one concerned subject teacher** of your institute in the training Programme. The DVD of all subjects will be handed over only to the authorized representative from the Institutes essentially on production of letter of authority. Name of the teacher, may please be forwarded through e. mail: syllabus.wbscte.2013@gmail.com positively by 17.08.15.

SNo.	Branch	Date	Time	
			11.00 AM – 1.00PM	2.00PM – 4.00 PM
1	Electrical Engineering	19-08-2015	Electrical Measuring Instrument Power Electronics and Devices	Electrical Machine-I + Basic Electronics Element of Mechanical Engineering
2	Mechanical Engineering	20-08-2015	Manufacturing Process-I Advance Manufacturing Process	Manufacturing Process-II Power Engineering
3	Automobile Engineering	21-08-2015	Automobile Engines Automobile Chassis-I	
4	Civil Engineering	21-08-2015		Transportation Engineering II Building Services and Entrepreneurship Development
5	Electronics & Instrumentation Engineering	24-08-2015	Biomedical Instrumentation + Analytical Instrumentation Optical Instrumentation + Electronic Communication Fundamentals	
6	Electronics & Telecommunication Engineering	24-08-2015		Analog Electronics –I Digital Electronics Communication Engg. -II
7	Metallurgical Engineering	25-08-2015	Mechanical Testing of Metals
